

ATTENDANCE

Regular attendance and arriving at school on time has a real impact on children's learning and behaviour. Attendance is monitored rigorously in school and unauthorised absences may be subject to a penalty notice being issued. If your child cannot come to school, please contact the school office and let us know. Attendance for each class should be at least 96%. ATTENDANCE AND LATENESS

For some parents, 90% attendance may seem like an acceptable level but the reality is this means that your child will miss half a school day each week or 19 days of the school year—that's nearly 4 school weeks! Also, pupils arriving late for school impacts on their learning. Every minute your child is late affects their progress as well as disrupting the morning activities not only for your child but for the other children in their class.

Remember that school opens for children at 8.45 a.m. Doors close at 8.55 a.m. Children should be in school between these times so that they are in their classrooms ready for registration at 8.55 a.m. If your child is late and has to enter via the school office they will be asked for a reason for their lateness. Their attendance record will be recorded as late, and the minutes late recorded. Please note that lateness is an absence, as children are missing learning time, and this may be subject to a penalty notice. Please make every effort to ensure your child arrives on time every day.

GIVE YOUR CHILD THE BEST START IN LIFE—EVERY SCHOOL DAY COUNTS.
