SCHOOL CLOSURE

As you know, we have now been instructed to close the school to almost all children after today until further notice. In the coming weeks, school will take on a different role in support of the national effort. We will do all we can to stay open for the children of key workers and children with certain needs as requested by the Government. All other children will need to stay at home, so we ask that you do not send your child into school from Monday onwards. We will re-open as soon as we can and will keep you updated on our website parent pages and via text or dojo.

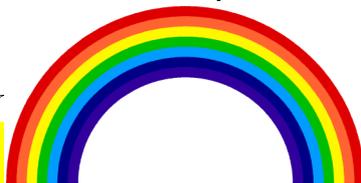

This is a difficult and challenging time for everyone but we have all been working together to ensure that your children stay safe. I felt it appropriate for them to have a relaxing final day, to relieve this stressful situation for a while, and to have some fun with their friends.

It is important that they are able to carry on learning whilst they are at home so we are providing resources and on line learning platforms so that we can continue to support them. It will help your child if you are able to create routine and structure to their day, involve them in learning and give them a quiet place to complete work from school.

I wish you all good health over the coming period and hope that we can return to school as soon as possible. I thank you all for your support and co-operation during this unprecedented time. Please rest assured that your children are our priority and we hope that we can welcome them back very soon.

Look after each other.

Jane King

OTHER NEWS

Unfortunately, Mrs Ball and Miss Morgan will be leaving us at Easter for new ventures. We wish them both well for the future and we thank them for their support and commitment to our school. After Easter, Mrs Jones will be joining us in Nursery and Miss Stanley will be teaching in 4LD. She is joining the staff following her university placement as she is now qualified and knows this class very well. We look forward to welcoming them to our team. Miss Darrall will teach Mrs Ball's class as she did when Mrs Ball was absent. This will give both classes continuity of learning with a teacher they know.

We are obviously disappointed for the children that we had so many fantastic events planned this year which have had to be cancelled because of the current situation. We do hope that when we return to school we can re-schedule many of these and offer even more exciting opportunities for our children to enjoy and learn from.

AND REMEMBER IF YOUR CHILD FEELS ILL PLEASE USE NHS 111 ONLINE
