## 1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

## 2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

## 3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers and to provide access to extra-curricular or cultural activities.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

## 4. Use of the grant

- The school ensures that teaching and learning opportunities meet the needs of all of the pupils.
- The school ensures that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged. The majority of any group will be made up of FSM children.

- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

Some of the provisions the school may consider for this group of children could include:

- Reducing class sizes thus improving opportunities for effective AfL and accelerating progress.
- Providing small group work with an experienced teacher focused on overcoming gaps in learning.
- 1-1 support
- Additional teaching and learning opportunities provided through learning mentors, trained TAs or external agencies.
- To provide a wide range of experiences in order to broaden horizons for pupils eligible for free school meals.
- To subsidize educational visits and set a limit of funds parents/carers are asked to voluntarily contribute.
- To provide extra adult support to facilitate small group interventions.

All our work through the pupil premium will be aimed at accelerating progress moving children to at least age related expectations. Initially, this will be in Communication, Personal and Social Development English and Maths.

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line the DfE's requirements on what maintained schools must publish online.

## **5. Eligible pupils**

The pupil premium is allocated to the school based on the number of eligible pupils in reception to year 6.

Eligible pupils fall into the categories explained below.

### **5.1 Ever 6 free school meals**

Pupils recorded in the most recent January school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent January census.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

### **5.2 Looked after children**

Pupils who are in the care of, or provided with accommodation by, a local authority in England or Wales.

### **5.3 Post-looked after children**

Pupils recorded in the most recent January census and alternative provision census who were looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order.

### **5.4 Ever 6 service children**

Pupils:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent January census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

## **6. Roles and responsibilities**

- Making sure methods for allocating and spending ensure that looked after children benefit without delay
- Working with each looked after child's educational setting to put together a personal education plan, agree how pupil premium funding will be spent to meet the need identified in this plan, and ensure the funding is spent in this way

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.

## **7. Monitoring arrangements**
